

Explore Jersey - North to South

Superb beaches, spectacular seascapes, pretty fishing villages and rolling green landscapes - Jersey has it all. Discover this beautiful island at your own pace with our selected highlights

North:

- La Mare Vineyard
- Catherine Best studios
- Jersey Goldsmiths Lion Park
- Greve de Lecq barracks (Visitor centre)
- Durrell wildlife conservation Trust and zoo
- Plemont Bay

Walk the coastal path along the striking granite cliffs surrounded by maritime heathland - and bask in the rugged beauty of Jersey's northern coast. Visit the mysterious medieval ruins of Grosnez castle at Les Landes or stop off at the 200 foot high rock 'Le Pinnacle' - a ceremonial site for thousands of years.

East:

- Gorey Village
- Mont Orgeuil Castle
- St Catherine's Breakwater
- Jersey Pottery
- La Hougue Bie Museum
- Ransoms Garden centre

Steeped in history - the east coast features many 18 century towers such as Seymour tower on La Rocque point (accessible only at low tide by foot). The coast is dominated by the majestic castle of Mont Orgeuil, which defended the island against the invasions; views from the top of the castle are amazing and well worth the climb. Don't miss the six thousand year old Neolithic burial chamber at Hougue Bie.

South:

- Jersey War Tunnels
- St Matthew's Church
- Elizabeth Castle
- Samares Manor
- Jersey Museum
- Maritime Museum

The most diverse sector of the island - with St Helier its vibrant capital; with its historic harbours, fabulous shopping and superb local restaurants. Elizabeth Castle is a must-see standing proudly at the port entrance, and for tales of smugglers and piracy venture to nearby St Aubin where traditional hostelries abound - once the home of rich merchants making fortunes from the Newfoundland cod fleets.

West :

- La Corbiere lighthouse
- La Rocco Tower
- The Shell Garden
- Battle of Flowers museum
- Lavender Farm & White house
- Bouchet Agateware

The wilder side of Jersey with beautiful landscapes stretching down to fantastic rolling beaches and the wild surf of St Ouen's Bay. Here you can visit the Rocco tower constructed during the Napoleonic wars on a rocky islet close to the bay. Visit the majestic Corbiere lighthouse for that perfect picture postcard sunset.
